SIR,

I have the honour to forward herewith a copy of letter No.C. 584 dated 26th February/2nd March 1920 together with its enclosures in original from the Deputy Commissioner, Kolar District, explaining the circumstances under which he performed the journeys on 2nd, 6th 25th, 26th and 27th of May 1919 referred to in his Travelling allowance Bill for May 1919 and objected to by the Comptroller as being rapid and frequent. As rapid marches have been allowed for the Accountant Controller, it appears to me that there is no sufficient reason to disallow them for the Deputy Commissioner who accompanied him.

Enclosure No. 1 & a file

SUBJECT.

Submitting for favour of sanction the Travelling Allowance bill of the Deputy Commissioner of Kolar for May 1919.

Letter No.C.584 26th February/2nd March 1920 from the Deputy Commissioner, Kolar District to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that my Travelling Allowance Bill for the month of May 1919 was forwarded to the Comptroller for pre-audit, as the claim had become more than 6 months' old. The Comptroller has deferred the Travelling Allowance for the 2nd, 6th, 25th, 26th and 27th idems amounting to ₹s197/- with a remark. "Deferred ₹s197/- for explanation for rapid marches." made on the Travelling Allowance Bill and in the enclosed slip received from the Comptroller along with the Travelling Allowance Bill, it is pointed out that a report to Government is to be sent about the frequency of rapid journeys made on the above referred dates.

2. I herein enclose for your kind perusal an extract from my Tour Notes for the month of May 1919 relating to the dates noted above.

On the 2nd idem, I left Chitaldrug to Rampur to inspect the site required for the formation and extension of the Devasamudra village as the matter was pending for a number of years, remained there on the 3rd, 4th and 5th idems in connection with the same matter. As I stood transferred and had taken thematter far, I considered it my duty to take all possible remaining steps so as to give the Scheme a shape, and prevent its being a failure as before. With this object I took the Maramat Engineer and the Supervisor with the required instruments in my Car to avoid delay &c.,

On the 6th I had to leave from Rampur to Chitaldurg as I had to conduct the Excise sales there that day.

On the 25th I met the Food Controller at Holalkere Railway Station and accompanied him to Holalkere and Hosadurge and thence to Chitaldrug to inspect the Food Depots, make enquiries regarding Food Situation.

On the 26th I accompanied the Food Controller to Challakere and Molakalmuru and returned to Chitaldrug after inspection of the Food Depots and enquired regarding the Food Situation.

On the 27th I proceeded to Jagalur with the Food Controller to inspect the Depot there and check the Food accounts and with him proceeded to Gudumakunte to enquire into a glaring case of unauthorised and surruptitious export of grains with the connivance of the Frontier Police Sub Inspector &c., as a result of which I had to place under suspension the Sub Inspector, Police Daffedar and Constable. With the Food Controller I returned to Chitaldrug and in the evening proceeded to Holalkere to inspect the Amildar Magistrate's Court and stopped at Holalkere Railway Station.

3. Under the circumstances explained above, it will be kindly observed that my journeys were neither rapid nor frequent as remarked by the Comptroller and were made in the interest of Government Work.

I therefore request that you may be pleased to forward the enclosed Travelling Allowance Bill to the Government for favour of sanction.

Inspections in connection with the formation and extension of the Devasamudra Village. As the matter of the shifting of the Village was most pressing and had been pending from a number of years, took the Maramat Engineer and the Supervisor with instruments with me to save time -- and expedite matter.

Before leaving for Chitaldrug in the morning, met the Villagers of Rampur -- and advised them to have a new Car for Basavana Devaru, and to hold the Car Festival which has been stopped for many years. Advised the Mohammedans to start a new Hindustani School at Rampur. The Mohammedans applied for the site -- adjoining the present Mosque for extending the same. As there was no objection to the grant of the site the Amildar was instructed to complete the record and take necessary action for its grant. Inspected the Village Munsiff's Court at -- Rampur as also the Vaidysala. The -- Vaidyan deserves house rent and some allowance for herbs and drugs used. The Cheluvadi wells requires parapet walls and revetment. The amount of contribution will be remitted. The Begar and other -- wells are without pulleys. They may be re-placed early.

of construction at Hangal on the way. As the Villagers who have undertaken the -- construction were found very slack in - the work,. They were warned that they should complete the work soon or else - they would lose the Government Grant. - Returned to Chitaldrug via Bommagondan-kere. At Challakere inspected the site applied for by one Balenahalli Basappa in the Challakere Municipality and made enquiries. As recommended by the Municipal Council there appears to be no objection to the grant of the same to him.

Reached Chitaldrug at 1 P.M. & thence attended the Excise sales at Chitaldrug.

25th May 1919. Holalkere Ry. Station to Hosadurga and back to Chitaldrug.

Met the Food Controller and after inspection of the Depot at Holalkere, proceeded to Hosa-durga, where enquiries were made regarding the disposal of rice received from Mysore. The accounts were also checked. Inspected the Taluk Office records at Hosadurga. In the afternoon returned to Chitaldrug where His Highness the Yuvaraja's Birth Day was celebrated with eclat. Along with wrestling matches, sports were held for the School Children and sweets distributed in Public Meeting to despatch a congratulatory Message to His Highness and to improve the road leading to the Jogi Mutt Hill Station and pray for permission to name it after His Highness the Yuvaraja, as " SRI NARASIMHARAJA SHPANTHA "

26th May 1919. Chitaldrug to Challa kere Holakamuru and back to Chitaldrug.

Conditions at Challakere showed that there was no need for a Depot there, and it was decided that the Depot might be closed.

27th May 1919.
7. Chitaldrug to Jagalur Gudumakunte and back and on to Holalkere Ry. Station.

Proceeded to Jagalur with the Food Controller who checked the Depot accounts. A glaring case of unauthorised and surruptitious export of grains with the active connivance of the Police Sub Inspector was brought to his notice by the Assistant Superintendent. Proceeded to Gudumakunte as a surprise visit and collected the Villagers and enquired into the matter. The Ookad Keeper and men detained the consignment of grain carts and would not stoop to -- accept bribes from the accused when they defiantly said that they would go to the Sub Inspector and get the necessary permission and proceeded in one of the carts throwing the - consignments of ~~bags~~ bags on the ground. The Sub Inspector sent words with a constable that the consignment should be allowed to pass on the ground that the men stated that it was castorseeds ! Not only this but the Constable took his seat on the carts and escorted the consignment to its place of destination in the British limits.!! By the time the Sub - Inspector sent word as above the whole Village had turned up and every one had seen the grain in the bags with the help of the iron rod used for the purpose. On return to Jagalur we questioned the Constable who had escorted the grain carts in the presence of the Sub Inspecto and the contradictions in their Statements -- left no doubt whatever that the Sub Inspector allowed the export. I have placed him and the constable as also the Mohammedan Daffedar under

under suspension pending final orders on the receipt of the complete record . The Amildar who admittedly came to know of this within a couple of days of its occurance did not consider it necessary to inform of it either to the Assistant Superintendent on special duty, the Sub Division Officer or myself,.and the Assistant Superintendent came to know of this case only casually -- about 20 days latter,& the Amildar held the matter up with the records in hand all this time"to verify this information". His conduct which has never been uncloudy is very inquisitorial. As he has promised to submit these records with reasons for the delay the matter will form the subject of a separate reference in due course. Then returned to Chitaldrug,. In the evening proceeded to Holalkere and after inspecting the Amildar Magistrate's Court there marched to Holalkere Railway Station.
